

EB-S4

Welcome to EBM Medical. We provide high quality active pharmaceutical ingredients supported by evidence-based medicine to address chronic metabolic deficiencies.

Your healthcare provider has prescribed EB-S4, intended for the metabolic management of musculoskeletal conditions. The active ingredients may enhance the body’s ability to heal fractures and connective tissue injuries. Being deficient in these nutrients may delay the healing process and increase the risk of post-operative complications.

EB-S4

Calcium citrate..... 1200 mg
 Magnesium bisglycinate.... 500 mg
 Vitamin D₃.....10,000 IU
 Zinc bisglycinate50 mg

Dosage:

Adult dose is 3 capsules daily or as directed by physician.

Each vegan capsule is allergen and dye free.

Therapeutic Active Pharmaceutical Ingredient Guide¹⁻⁹

ACTIVE INGREDIENT	DESCRIPTION
Calcium citrate	<ul style="list-style-type: none"> + Bone growth + Nerve/muscle function - Bone loss
Magnesium bisglycinate	<ul style="list-style-type: none"> + Vitamin D absorption - Calcium absorption + Bone density and health
Vitamin D₃	<ul style="list-style-type: none"> + Calcium absorption
Zinc bisglycinate	<ul style="list-style-type: none"> + Bone cell production + Collagen production

+ increase - decrease

Manufactured in compliance with current Good Manufacturing Practices. [cGMP].

FREQUENTLY ASKED QUESTIONS

What is EB-S4?

EB-S4 is a medical food, consisting of four active ingredients required in the metabolic management of musculoskeletal conditions.

What should I expect?

Once your metabolic needs have been met, EB-S4 may help to promote the healing of bone fractures and soft connective tissue injuries.

How do these medical foods compare to over-the-counter products?

EB-S4 features highly bioavailable forms of each active ingredient associated with bone and soft connective tissue healing in a convenient daily dose.

How do I take EB-S4?

The recommended dose of EB-S4 is one capsule taken three times daily with food.

What are the known side effects of the ingredients of EB-S4?

All active ingredients featured in EB-S4 are well tolerated. Patients have reported upset stomach, heartburn and indigestion. Taking EB-S4 with FOOD may minimize most side effects. EB-S4 vegan capsules are allergy, dye and gluten free.
